## DESCRIPCIÓN DEL PRODUCTO

This book schematically discusses the available techniques for aesthetic vaginoplasty, including vagina rejuvenation and other related surgical and non-surgical approaches. By furthering our understanding of the field, it promotes a better surgical practice on aesthetic vaginal surgeries. More specifically, this book will enable surgeons to correctly assess patients, choose and plan procedures, and reproduce the most common surgical aesthetic vaginal procedures.

Each chapter is written in a pedagogical way, promoting a direct applicability. For each surgical procedure discussed, it features topics such as consultation and patient's intentions, clinical examination, anatomy and important landmarks, surgical technique and possible complications. Aesthetic Vaginal Plastic Surgery: A Practical Guide is intended for any medical professional interested in vagina aesthetic and rejuvenation procedures, especially those in the fields of plastic surgery, gynecology and urology.

**Puntos clave del libro Aesthetic Vaginal Plastic Surgery 1st edition.**

- "Aesthetic Vaginal Plastic Surgery" is a comprehensive resource for plastic surgeons, gynecologists, and aesthetic medicine specialists focused on female genital rejuvenation and reconstruction.
- This book provides an in-depth review of advanced surgical techniques, including labiaplasty, vaginoplasty, and

perineoplasty, with a strong emphasis on both aesthetic refinement and functional restoration.
- With high-quality illustrations, case studies, and step-by-step procedural guidance, "Aesthetic Vaginal Plastic Surgery" ensures a thorough understanding of patient evaluation, surgical execution, and post-operative care.
- An essential reference for professionals aiming to enhance their expertise in vaginal aesthetic surgery and achieve natural, safe, and patient-centered results.
