DESCRIPCIÓN DEL PRODUCTO

This book schematically discusses the available techniques for aesthetic vaginoplasty, including vagina rejuvenation and other related surgical and non-surgical approaches. By furthering our understanding of the field, it promotes a better surgical practice on aesthetic vaginal surgeries. More specifically, this book will enable surgeons to correctly assess patients, choose and plan procedures, and reproduce the most common surgical aesthetic vaginal procedures.

Each chapter is written in a pedagogical way, promoting a direct applicability. For each surgical procedure discussed, it features topics such as consultation and patient's intentions, clinical examination, anatomy and important landmarks, surgical technique and possible complications. Aesthetic Vaginal Plastic Surgery: A Practical Guide is intended for any medical professional interested in vagina aesthetic and rejuvenation procedures, especially those in the fields of plastic surgery, gynecology and urology.
